

# How Does ProPorfs Knowledge Base Support Data Portability?

With GDPR in effect from 25th May 2018, every user has the right to access their data. Administrators can access their end-users data and help serve their users' data rights. [Learn more about GDPR and Data Portability.](#)

ProPorfs Knowledge Base allows customers to access and export their data, i.e. [Export a site](#) created using the Knowledge Base.
